## Overview

Welcome to the New Scotland Coastal Road Rally. This rally is an Atlantic Sports Car Club event that is part of the ARMS Road Rally Championship.

These supplemental Regulations (Sup Regs.) provide additional information and regulations in addition to those found in the governing regulations listed below.

This road rally is a navigational rally. Novice instructions will be simple involving mostly attention to signs and landmarks as well as measured distances. Experienced instructions will be significantly more difficult.

The following equipment are recommended for the event.

- Clipboard, pens, calculator
- Working trip odometer
- Cell phone,
- Water, snacks
- Tow rope, warning triangle, fire extinguisher
- Sense of humour

## Supplementary Regulations

1. This is an ARMS regional rally held under the General Competition Regulations of the Canadian Association of RallySport and the ARMS Navigational Rally Rules. These publications are available online at <https://carsrally.ca/cars-home/> and <http://www.armsinc.ca>. They will also be available for scrutiny at the start.
2. In the event of a conflict between these regulations and those listed in 1, these regulations take precedence.
3. The rally is run on a mix of paved and unpaved public roads.
4. Rally will accept entries in Novice and Experienced classes, as per ARMS Regional Rally Regulations.
5. The route approximately follows the Highway 103 from Tantallon to Mahone Bay. No portion of Highway 103 is on the rally.
6. Entries/Eligibility: All entrants be a member of an ARMS affiliated Club. Entries must include the entry form & payment. Entries may be e-transferred to the club Treasurer (payments@ascc.ca), or made in person (subject to space limitations) until 1300hrs the day of the event.

Online Registration Form	URL
Cost (per team)	\$35
Payment	E-transfer to payments@ascc.ca

7. Registration form:  
[www.armsinc.ca/wp-content/uploads/2020/10/ARMS\\_Navigational\\_Rally\\_Entry\\_Form\\_20201008.pdf](http://www.armsinc.ca/wp-content/uploads/2020/10/ARMS_Navigational_Rally_Entry_Form_20201008.pdf)
8. All participants must complete an electronic waiver. The waiver can be found at: <https://ascc.speedwaiver.com>. (A mobile phone with internet connection is required for this.)
9. Valid proof of registration, license and insurance must be presented if requested by a rally official.
10. Entered Vehicles must be Registered, Insured road vehicles. A NAVEX/TSD Self Declaration form must be completed. LINK TO FOLLOW  
Any team with members who are under 18 years of age must have a minor participant waiver completed.

## 11. References/Units

- 11.1. **Time Reference:** Time is expressed in hours, minutes and seconds and measured to the nearest second.
- 11.2. **Speed Reference:** Unless otherwise stated, speed is expressed in kilometers per hour (KPH).
- 11.3. **Distance Reference:** Distances are expressed in kilometers and measured to the nearest one-hundredth of a kilometer. Distances at turns were measured to the beginning of the turn or edge of the intersection.

12. Awards will be dash plaques for top 3 places in Novice and Experienced classes.

13. Checkpoints. This event will use electronic timing and checkpoints using the Richta app. Each team must provide a working phone or tablet with the Richta Competitor app installed. The device must have GPS capability and must be dedicated to that app.

14. Scoring: Scoring is as described in Annex E of the ARMS Navigational Rally Rules.

[https://www.armsinc.ca/wp-content/uploads/2025/12/ARMS\\_NAVEX\\_Regulations\\_20251115.pdf](https://www.armsinc.ca/wp-content/uploads/2025/12/ARMS_NAVEX_Regulations_20251115.pdf)

14.1. Scoring: All cars will be penalized 1 (one) point for each second early or late at any control. Maximum points for missed control, or maximum early/late penalty at a control for this event is 300 points.

14.2. Maximum Lateness: Maximum permitted lateness to qualify for check-in at controls will be 30 minutes for the first 2 sections (excluding odometer check), and 45 minutes for subsequent controls except one hour at the final control.

14.3. Clock for scoring purposes will be reset at each restart (not at each checkpoint). i.e. Madison Style Scoring.

14.4. Scoring system includes provision for time allowances of 30s, 1:30s, 2:30s, ..., up to 19:30s
